

# Growing Newsome

## Harvest

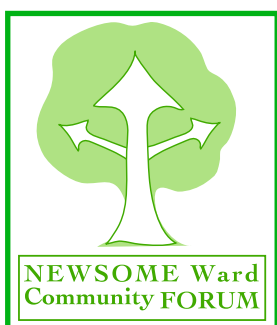

Celebrate our home grown fruit & veg

Local food growing is the theme for the next meeting of Newsome Ward Community Forum, including:

- Organic gardening advice
- Newsome food projects
- Allotments information

Bring your home grown fruit & vegetables (or anything that you've made with them) along to share or swap. Meet other growers. Share photos of your garden or allotment.

6pm on 8th October (buffet from 5.45pm)  
Newsome High School Community Room
