

Interested in climate change issues?

free course

Sign up for this **free** short course and work towards a climate change qualification

Complete the course to receive a free energy assessment for your home, and save money on your bills!

Gain new skills and enhance your CV and employment prospects!

This course is for unemployed adults (18+) living in **Kirklees**, who do not have a similar or higher qualification.

The course takes 8-12 weeks to complete so you can study at your own pace.

You can start **ANY TUESDAY** from 14th August 2012 at Voluntary Action Kirklees, Lord Street, Huddersfield, **1.00-4.30pm**. We recommend you start no later than Tuesday 18th September to give you enough time to complete the course.

You will work towards the City and Guilds Level 1 Award *Introduction to Household Energy Efficiency* which covers:

Fuel consumption in the home

Renewable electricity

Renewable heat

Heat loss and insulation

Space and water heating
