

Interested in climate change issues?

free course

Sign up for this **free** short course and work towards a recognised qualification

Complete the course to receive a free energy assessment for your home, and save money on your bills!

Gain new skills and enhance your CV and employment prospects. Learn how to cut down on your household bills, and find out more about renewable energy and the environment!

This course is for unemployed adults (18+) living in **Kirklees**, who do not have a similar or higher qualification.

The course starts on **Wednesday 10th October 2012** and runs every **Wednesday and Friday mornings** from **9.30am - 12.30pm** until **Friday 2nd November at:**

Newsome South Methodist Church,
Birch Road, Berry Brow, Huddersfield,
HD4 7LP

You will work towards the City and Guilds Level 1 Award *Introduction to Household Energy Efficiency* which covers:

Fuel consumption in the home

Renewable electricity

Renewable heat

Heat loss and insulation

Space and water heating

Free lunch included!
